Dear Mr. Houston,

Following my last letter of the 11-th  
inst., I intended to write to you, but in the mean time,  
the enclosed two letters were returned. I just signed  
for them; and since they were undelivered, I think that  
the Agency itself is responsible since it failed to act  
following my several warnings.

I am, sincerely,

Titus de Bobula
